

FUSION™

EarthGuard FUSION is the most cost-effective solution for reclamation work.

- Use anywhere having difficulty with re-vegetation.
- Provides a long-term sustainable solution.
- Use any place where growing vegetation is extremely difficult because of erosion, poor soils, poor plant growth environment, no organic matter.

Effective For:

- Oil and gas sites
- Post fire reclamation
- Soil reclamation
- Re-vegetation
- Landfill closures

EarthGuard FUSION™ is among the new classification of products known as hydraulic growth medium & mulch (HGM²). It combines the proven erosion control capabilities of EarthGuard Fiber Matrix into a single package with the topsoil replacement of EarthGuard ORGANIX™ and the soil remedies of EarthGuard ELIXIR™, (fertilizers, nutrients and growth stimulants).

FUSION is a fix-it-all for poor soil conditions and helps with many situations like the following:

- Top soil needed for replacement
- Issues with poor climate and topsoil
- The need for advanced erosion control
- Where quick but sustainable plant establishment is desired

Fuses erosion-control with the agricultural benefits of fertilizers and growth stimulants that make it ideal for **any re-vegetation application.**

Highly **Effective.** **Cost Efficient.**

Terra Novo Manufactures

Erosion Control:

- EarthGuard®
- EarthGuard Fiber Matrix
- EarthGuard **EDGE™**

Reclamation:

- EarthGuard **FUSION™**
- EarthGuard **ORGANIX™**
- EarthGuard **ELIXIR™**

Agricultural Soil Stabilization and Conditioning

- SoilMAX
- Agriflo

Dust Suppression

- DustCap
- DustGuard

Water Clarification

- AquaGuard

Terra Novo's engineers and chemists pride themselves on maintaining a hands-on approach to solving site-specific problems for the agriculture, reclamation and erosion-control industries with highly effective, extremely affordable and environmentally friendly product lines developed to comply with the Clean Water Act and pass acute and chronic toxicity studies.

Terra Novo products are:

- Distributed in all 50 states and Canada
- Exported internationally
- University-tested
- Worksite-proven
- Highly cost effective
